

Patent
42478-6700REMARKS

Applicant wishes to thank Examiner Bengzon for the courtesy of a phone conference on April 18, 2006. Examiner Bengzon indicated that upon an initial review of our previous Rule 116 Amendment, that he would allow the present application if we incorporated into the independent claims, the feature of the target apparatus starting to execute the one or more events simultaneously as defined in the dependent Claim 3.

Accordingly, applicant has amended each of the independent claims to place the case in condition for allowance.

If there are any questions with regards to this matter, the undersigned attorney would appreciate a telephone conference and can be reached at the listed phone number.

I hereby certify that this correspondence is being Very truly yours,
transmitted via facsimile to the USPTO at
571-273-8300 on April 28, 2006.
